

WELCOME 2016 – 2017 MARCHING 100 BAND MEMBERS & PARENTS
GO BADGERS!

Dear Band Booster Parents/Guardians:

Welcome new and returning parents, if you have a band student, you are a THMS Band Booster!

What is THMS Band Boosters?

The *THMS Band Boosters* are a 501c3 non-profit organization dedicated to providing support and “boosting” the band program at Tucson High Magnet School.

How do the THMS Band Boosters support the Marching 100?

Parents/Guardians are able to support the THMS band program through volunteering, fundraisers and band operation pledges. Through these efforts students are provided many different kinds of support for the home and away functions including meals, transportation, music, equipment, uniform management, awards and many other essentials necessary for our students in band. **All band parents are invited to the first Band Booster Parent Meeting of the 2016-2017 school year Friday, July 29th, 2016 at 6:00pm in the THMS cafeteria.** We expect all parents to come to this event to learn more about the Marching 100 season and the opportunities for becoming an involved Band Booster Parent! In addition, freshman and new parents can join us for a short tour of all important band landmarks at THMS during band camp placements on Sunday, July 24th at 6:00pm.

Student Name: _____ Matric #: _____

I have read and understand the **2016 -2017 Marching 100 Rehearsal and Performance Schedule** sheet. I have reviewed this detailed schedule with my parents/guardians and made the appropriate arrangements for each date.

Although the band follows school policy for excused medical absences, members of the Marching 100 are encouraged to make every possible effort to attend the complete schedule of rehearsals and performances.

I also understand that membership in the Marching 100 requires me to be *academically responsible*. I understand that **it is my responsibility to know where I stand in each of my classes**, and to seek help if my grades start to decline. In addition, membership in Marching 100 requires me to be *behaviorally responsible*. I understand that **it is my responsibility to demonstrate exemplary behavior at all times as a Marching 100 member**. I have read and understood the TUSD Athletic/Activities Code of Conduct and understand the behavioral expectations and violation consequences.

Band is not a convenience... it is an opportunity. Throughout the season, section-leaders and captains will periodically call for sectional rehearsal outside of the regular practice schedule. These will not exceed one per week. I understand that it is my responsibility to make every possible effort to attend these sectional rehearsals.

After reviewing the schedule with my parents/guardians, the following are pre-existing schedule conflicts that are extremely important and completely unavoidable that I am unable to resolve for the 2016 - 2017 Marching Season:

With the exception of the conflicts listed above, I hereby commit myself to the 2016 - 2017 Tucson High Marching 100 for the duration of the season. If other unavoidable conflicts come up after completing this form please contact Mrs. Huestis at lucy.huestis@tusd1.org.

By signing below I hereby commit myself to:

- 2016 - 2017 Marching 100 rehearsal and performance schedule
- Being academically responsible
- Being behaviorally responsible
- Adhering to the performance dress code of the Marching 100

The Tucson High Marching band is in need of tax credit donations. These donations are used to provide instruments, sheet music, competition travel expenses, and a variety of other needs to support the musical education for hundreds of Tucson High Magnet School band students. Studies have shown that kids who are involved in extracurricular activities have a better grade point average and are less likely to drop-out of school or get involved with drugs.

You can help us by encouraging your family, friends, neighbors, and co-workers to donate their Arizona Tax Credit to the THMS Bands. The State of Arizona authorizes a tax credit up to \$400 for income tax payers filing jointly and a \$200 credit for individuals. When you file your state taxes in 2017, your total tax for 2016 will be reduced by the amount that you donate. This means it costs you nothing and the students benefit from your generosity. Please consult your tax professional for more information.

If you have not already contributed your tax credit funds, please consider donating to the Tucson High School Bands. If you have already made your contribution, whether to the band or another entity, please encourage others to support our cause. They do not have to have school age children to contribute. We welcome ANY amount that will help defray the costs of the programs to our students. You can even make payments in any amount during the year.

If you would like to contribute, it's easy!

Go to TUSD1.org and click on the blue box in the upper right hand corner that says GIVE KIDS THE EXTRA CREDIT.
